

## Why am I having so much fun?

Bob Primes, ASC reveals his inner child playing with the cool toys and other kids at Clairmont Camera; a fun place to play.

*I've played in some great camera rental houses. The best constantly innovate and create awesome new tools, toys and widgets to make our work more beautiful, faster, easier and more fun.*

*Denny & Terry Clairmont, Alan Albert, Tom Boelens and crew set fanatically high standards of quality, service, innovation and integrity.*

*But that's old news. Everyone in the biz knows that! I want to talk about how much fun I have at Clairmont.*

*The sign of a well managed team is the morale and happiness of the players.*

*Clairmont is a busy place, yet somehow, miraculously, everyone seems relaxed, delighted to see you, help you create solutions and are just as crazy about the latest toys and widgets as you are.*

*It is this uncanny ability of everyone you encounter to share the joy and enthusiasm of our art form that kicks the Clairmont experience into another dimension. Those old-fashioned virtues of integrity, involvement, caring, warmth and joy are really what it's all about.*
